To: All Land Owners and Residents of the Six Ponds' Area
Plymouth County
Massachusetts

Subject: Proposal For Formation Of A Non-Profit Voluntary
Organization To Be Called - "THE SIX PONDS IMPROVEMENT
ASSOCIATION".

On September 3, 1951, the following persons met informally to discuss the formation of the above Association, viz: Mrs. Ernest Basset, Mrs. Edward Bement, Mrs. Gilbert Besse, Mrs. Schuyler Chapin, Mr. Richard Conant, Dr. T. V. Corsini, Mr. Roger Dunscombe, Mrs. E. S. Emery, Jr., Mrs. Langdon Geer, Mrs. Lawrence Howe, Mrs. Julian Kelley, Mrs. Lewis D. Mowry, Mr. and Mrs. Parker Pond, Mrs. Frank Probst, Mrs. Elmer Raymond, Mr. and Mrs. William Stearns, Jr., Mrs. Frederick Steinway, Mrs. Theodore Steinway and Mr. Maxwell Van Buskirk.

It was voted to establish such an Association. It was the sense of the meeting that the Association should be concerned with the matters listed in Article II of the proposed Articles of Association.

To effectuate the foregoing a Committee was appointed to establish the framework of a permanent organization, and the following named persons were requested to serve on the Committee, viz: Mrs. Gilbert Besse, Mr. LeBaron Briggs, Mrs. E. S. Emery, Jr., Mr. H. S. Goodhue, Mr. Parker Pond, Mr. Elmer Raymond and Mr. William Stearns, Jr., Chairman.

This Committee has elected Mr. Stearns as Chairman and Treasurer, and Mr. Goodhue as Secretary. The Committee now recommends that a meeting of all interested persons be held at eleven o'clock A.M. on the Fifth of July, 1952, at Mrs. Lawrence Howe's Hall, East Long Pond Rd., Long Pond, to vote on the establishment of "THE SIX PONDS IMPROVEMENT ASSOCIATION". The Committee further recommends, in the event such an Association be established, that Articles of Association similar to the enclosed, be adopted.

At the coming meeting on the Fifth of July we intend to propose that the enclosed Articles be adopted, thus forming the Association officially. We believe that the meeting should consider establishing certain Standing Committees, and we hope that volunteers will come forward to serve on such Committees as are adopted. For example, the following might be considered: -

- (1) Road Committee
- (2) Health Committee
- (3) Fire Hazard Committee
- (4) Water and Life Saving Committee
